Summary of Legislation: This bill increases the number of members appointed to the county park board by the county executive from one to two members and increases the number of members appointed by the county fiscal body from two to three members. The bill eliminates the members appointed by the judge of the circuit court. The bill also provides that if a municipal park district expands into the unincorporated area of the county, the county executive and county fiscal body, instead of the circuit court judge, appoint members to the board to represent the area added to the district. It provides that a member appointed to the park board by a circuit court judge before July 1, 2001, is entitled to serve the remainder of the member's unexpired term.
